Kosciusko Career Expo April 18

You Can Help an 8th Grader - Deadline February 15

The Workforce Development Committee of the Chamber each year holds the Kosciusko Career Expo. This year the Expo will be held on April 18, 2012 at Lakeview Middle School in Warsaw. The Expo is designed to give our 8th graders a brief look at the different careers that exist in Kosciusko County, in the hope that they will develop a career path to stay in the county and contribute to our workforce when they graduate.

Up to 60 local businesses exhibit a career in the gym at Lakeview Middle School. All 8th graders in the county come throughout the day by bus in groups of around 300 at a time to experience the exhibits which might help them decide their long term education pathway. **Nearly 1,500 students attend the Expo.**

This is an all-day event. There is no charge to be an exhibitor, and lunch is provided.

Please contact the Chamber at info@wkchamber.com if you are willing to exhibit for this worthwhile cause.

Please respond by February 15, 2012 if you are interested in helping.
